# WHAT

The Serendipity Machine at your location

This total package will cost you only €349,- per month (minimum 6 months).

## ICEBREAKERS

We created icebreakers to help you and your users connecting to each other in a natural and fun way!

- TV screens with your own brand and possibilities to interact with your users
- The check in software at your location (Hi, I am here!)
- 6 months premium TSM for your stakeholders
- Fun facts and more...

## DATA

Wow! By using TSM you will see who's at your location and what kind of knowledge is available. You're connected to a huge network of data!

- Dashboard with data from your location
- Data of the knowledge available at your location (daily, weekly, monthly and yearly)
- Amount of questions asked in the platform
- Amount of answers given in the platform
- Top knowledge tags at your location available
- Top 10 active users (daily, weekly, monthly and yearly)

## ADVISE

Get the vibe!  
We strongly advise you to give physical exposure of The Serendipity Machine at your location.

- We can give you some examples of how other TSM locations did it!
- By using TSM and putting some effort in it you will have a vibrant culture at your location in no-time.
- For using the check in software we can recommend you the complete check in pillar (a barrel with a tablet).
- We don't deliver the hardware but we can advise you how to get it.

# WHAT

The Serendipity Machine for your visitors

Your visitor checks in with either the TSM app or the TSM Check In software at your location

Your visitor get relevant matches (people, content, events) based on what they're working on and their knowledge

Your visitor can reach out to those people with a chat or a meet request

Your visitor can ask questions (in the whole network) or answer questions.

# WHY

The Serendipity Machine at your location?

Every location where the The Serendipity Machine (TSM) is used, you feel the vibe. “What vibe?” you ask us.

It’s simple! At a TSM location people are always open to meet each other share knowledge and help everyone in the network to grow. That’s what keeps attracting people and makes your location relevant.

Your place is highlighted as a TSM location at the coolworkspace/TSM map where flexible workers can pin or find the best places to meet people and/or to work.

### Get connected to:

**200+** TSM Locations already  
**60.000** users from all over the world  
**200+** Ambassadors

Exposure in the epic centre of the new society (3.0) through Twitter, Facebook and Instagram.

You have access to a dashboard with relevant data of your visitors, what they're working on and their potential.
